THE BIRTH OF THE EARTH. ✓

The nebular hypothesis made clear by a series of drawings made by the Bray animated drawing method, adapted to Brayco. A lucid and entertaining explanation of a complex but important scientific theory.

Recommended for school use.

This document is from the Library of Congress  
“Motion Picture Copyright Descriptions Collection,  
1912-1977”

Collections Summary:

The Motion Picture Copyright Descriptions Collection, Class L and Class M, consists of forms, abstracts, plot summaries, dialogue and continuity scripts, press kits, publicity and other material, submitted for the purpose of enabling descriptive cataloging for motion picture photoplays registered with the United States Copyright Office under Class L and Class M from 1912-1977.
